

PRESS RELEASE
For immediate release

COEUR DE PIRATE TO PERFORM AT FESTIVAL DU VOYAGEUR 2016

SAINT-BONIFACE, November 26, 2015 – Festival du Voyageur, in collaboration with the Winnipeg Folk Festival, is proud to announce that **Coeur de Pirate** will be performing at the 2016 Festival du Voyageur. Hailing from Quebec, the internationally acclaimed artist will be in concert at the Voyageur Trading Post (Centre Culturel Franco-Manitobain - 340 Provencher Blvd) on **February 13, 2016** for the 47th edition of Festival du Voyageur which will take place from **February 12 to 21, 2016**.

The tickets will be on sale for \$35 as of **Saturday, November 28** on **Ticketmaster** as well as at the **Festival du Voyageur** office (233 Provencher Blvd).

Coeur de Pirate is the solo project of award-winning singer-songwriter and pianist Béatrice Martin. She released her self-titled debut album in September 2008, to immediate national and international acclaim, before returning in November 2011 with her sophomore album, Blonde. Coeur de Pirate has now sold more than one million albums worldwide and counting.

Coeur de Pirate returns in 2015 with her third album, a collection of songs that finds the artist boldly expanding her horizons and modernizing her approach. The intoxicating first single "Carry On", which was recorded in Stockholm with producer Bjorn Ytting (Peter Bjorn and John, Franz Ferdinand, Lykke Li), signals the end of an era and ushers in another, where Martin reflects more deeply on her life up to that point.

The pre-sale of 10-day passes to Festival du Voyageur will begin as of **December 1, 2015**. For more information, visit www.heho.ca. For all the latest news, follow our [Facebook](#) page and our [Twitter](#) account.
